

*Ambitious Outreach Effort Begins Saturday*

Washington, D.C. - Congressman John Adler (NJ-03) announced today the launch of an ambitious constituent outreach effort called Congress at Your Corner. Congress at Your Corner enables Congressman Adler's constituents to meet directly with him at times and locations that are more convenient for them. Members of the Congressman's staff will also be on hand to assist constituents who have questions about dealing with federal agencies.

**"Meeting directly with the people who hired me is crucial," said Adler. "I will always make it as easy as possible for members of our community to speak with me personally. I am in Congress to serve them and I count on their ideas and suggestions."**

On a regular basis, Congressman Adler will schedule public appearances as part of the Congress at Your Corner program. Future locations will include churches, community centers, and grocery stores.
